

MES Invites you to Celebrate Family Literacy Week!

This year's theme is:

TRAVEL THE WORLD TOGETHER

On January 27th, it is Family Literacy Day - a day to celebrate how important and fun reading can be! The theme this year is "Travel the World Together." To celebrate together, MES is sending home a "Reading Around the World" passport. When your family reads or "visits" a new region or country, stamp or sign your passport on the back of this page. Bring your passport to the library after our long weekend, and Mrs. Gieske or Mrs. Lepp will have a treat for you!

Resources

Mrs. Gieske has created a list of book titles you and your family might want to check out! This text list can be found at <https://cutt.ly/SjRAO3N>

Feel free to look for other books too -- they can be nonfiction about a new country, or a picture book/chapter book/graphic novel that is set in a different country.

There are several online reading options available, too!

Sora and Overdrive - ebook options accessed through the MES Library. Find out more at <https://mes.westwind.ab.ca/library/overdrive>

Overdrive, Libby and Hoopla - ebook and audiobook options accessed with a public library card. Find out more at <https://magrathlibrary.ca/elibrary>

Passport is on the back -- Happy Travels!
