

Good Morning MES Families,

I hope you are enjoying this nice spring weather. April has gone fast and we are down to 8 weeks of school left. There is a LOT going on. To try to help out with that, I have put everything on one calendar that hopefully helps keep the surprises to a minimum and everyone enjoying all the fun activities. This calendar will be on our website as well and if something is going to change, we will communicate that as soon as we can.

- **Walk/Run Lunch Reminder** - We love having so many kids doing walk/run club. Just a reminder that if your child normally comes home for lunch, they need to bring a big lunch to school if they are staying (extra snacks are great). Thanks for helping with this by encouraging the kids to participate!
- **Pitch-in Day/Week** - students should be wearing good walking shoes and if the weather is nice, a hat.
- **For Track & Field Days** - we will provide each participating student with a hotdog, chips and juice box. They will need to bring additional snacks and a water bottle to keep their energy up throughout the day.
- **ALL Field Trip Forms** are now digital. Please watch your email for them.
